## 2<sup>ND</sup> JSKA EUROPEAN CHAMPIONSHIPS

Dear Friends

It is my great pleasure to invite you to my home city of Glasgow and the 2<sup>nd</sup> JSKA European Championships.

I am excited at the prospect of hosting an event which will live long in the hearts and the minds of all who take part. I am honoured that Abe Shihan and the JSKA Shihankai have entrusted me and my colleagues at JSKA Scotland to organise and run this prestigious event.

As such, I would like to formally invite all traditional Shotokan karate-ka to come and join with us in friendship and budo to create an event with the highest quality and strongest spirit.

Mike McCusker

## 2<sup>ND</sup> JSKA EUROPEAN CHAMPIONSHIPS

### ABE Keigo Shihan, 9<sup>th</sup> Dan and the JSKA

ABE Keigo Sensei, founded the JAPAN SHOTOKAN KARATE ASSOCIATION the 10th February 1999. Abe Sensei holds 9th Dan in the Japan Shotokan Karate Association and is the JSKA Chief Instructor. It is one of the fastest growing Shotokan associations in the world.

Abe Sensei has also taught and influenced some of the top Japanese instructors in the world to day, and headed numerous delegations in around 50 countries for the JSKA and the Japanese government. Abe Sensei is also one of the few Karate-ka to have refereed in the presence of the Emperor of Japan during a Japan national tournament. This is indeed a great honor in Japan and only highly respected Karate-ka might ever attain such a level of recognition.

Abe Sensei has a great understanding of Karate history and philosophy through the formation and development of Shotokan style into what he perceives the future has to offer: "I feel that today's Karate is centered only on winning competitions and everyone trains towards this end. But this is very far from the true purpose of Karate. I believe that the true purpose of Karate lies in daily training with a goal to develop in parallel a strong body and mind and furthermore to contribute to society in general; the Karate-do we practice has for essential purpose to attain a correct control of body and mind". Abe Sensei established the JSKA to realize what he himself sees as the true purpose of Karate.

The JSKA Karate philosophy is to

- Improve technique as a sport
- Enjoy Karate practice as a means for developing a healthy body and mind.
- Learn self-defense as a martial art

Karate-ka who understand these principles are most welcome to join us.
